### 3 Choose How You Want to Invest in Your Community *Check one option*

**Stataline United Way Community Fund** *(the recommended choice).*

By giving through the Community Fund you make the biggest difference and help the most people. When you allow the United Way allocations process to work the way it should, your gift is spread among **all** agencies, insuring that even the small agencies with limited visibility will receive funding. If everyone designated their gift to a specific agency, it's possible that some agencies would get no money.

**Alternative Fund Choice**

I didn't choose the Community Fund option because I'd rather direct my gift to a different United Way or specific health and human service agency. These gifts are not monitored by United Way, and Option C gifts will see a 7.7% administrative fee assessed. *See back side for more information.* I understand I must meet a **minimum gift of \$50** to use any of these options AND have my pledge form turned in to United Way by **Dec. 31.**

A. Number of United Way member agency *(see list on back)* \_\_\_\_\_ **OR**

B. Name of other United Way \_\_\_\_\_ **OR**

C. Name of non-member agency \_\_\_\_\_ Address \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Check here if you wish to receive a thank-you card from the Alternative Fund Choice agency you designated your gift to.

## WHY GIVE TO UNITED WAY?

- Your gift supports 26 local health and human service agencies in the community, which means a better quality of life for all in the Stateline Area.
- The Stateline United Way allocation process ensures that every gift is leveraged for the greatest possible benefit to people in need.
- You set a good example for your children and grandchildren when you show compassion for those less fortunate.
- When you, or someone you care about needs help, the services are available.
- It is likely that a number of your fellow employees or their family members are already receiving services from a member agency.
- Our member agencies often fill the gap for services not covered by employee assistance programs or health insurance.
- Giving to help others creates a feeling of empowerment and independence to inspire initiative.

**You can help** just by each week giving up:

|                       |                     |
|-----------------------|---------------------|
| one soda or candy bar | a Friday night beer |
| one lottery ticket    | one movie rental    |
| a pizza               | a magazine          |
| a foot-long sub       | a coffee drink      |

**Then pledge that amount to United Way** so help will remain available for those who need help the most during these challenging times.
